Local Testimonial

This is the first time we have used Senitor, and I have to say it won't be the last. Senitor was excellent at handling our requirements and finding suitable candidates for our business. This made the recruitment process a lot quicker and much more productive as Senitor had taken the time to understand the business and find top quality candidates for the positions we had on offer.

Carl Koppe, UK Group IT Manager, GL Events

Please call **Oliver Light** or **Myles Moreland** on **0115 950 8450** to arrange an interview with any of the above candidates or to discuss your requirements further.
